# HOW TO USE YOUR BUPA INTERNATIONAL LIFELINE PLAN

### Step 1: Where to get treatment

As long as it is covered by **your** plan, **you** can have **your treatment** at any recognised **hospital** or clinic. If **you** don't know where to go, please contact **our** Healthline service for help and advice.

### **Participating hospitals**

To help **you** find a facility, **we** have also developed a global **network** of over 7,500 medical centres, called participating **hospitals** and clinics. The list is updated regularly, so please visit bupa-intl.com for the latest information. **We** can normally arrange direct settlement with these facilities (see Step 3 below).

### Getting treatment in the USA

You must call our Service Partner on 800 554 9299 (from inside the US), or +1 800 554 9299 (from outside the US) to arrange any **treatment** in the USA.

### **Step 2: Contact us**

If you know that you may need treatment, please contact us first. This gives us the chance to check your cover, and to make sure that we can give you the support of our global networks, our knowledge and our experience.

# Pre-authorising in-patient treatment and day-case treatment

You must contact us whenever possible before in-patient treatment or day-case treatment, for pre-authorisation. This means that we can confirm to you and to your hospital that your treatment will be covered under your plan.

Pre-authorisation puts **us** directly in touch with **your hospital**, so that **we** can look after the details while **you** concentrate on getting well. The 'Pre-authorisation' section contains all of the rules and information about this.

When **you** contact **us**, please have **your** membership number ready. **We** will ask some or all of the following questions:

- o what condition are **vou** suffering from?
- o when did your symptoms first begin?
- when did you first see your family doctor about them?
- o what treatment has been recommended?
- o on what date will **vou** receive the **treatment**?
- o what is the name of your consultant?
- where will **your** proposed **treatment** take place?
- how long will you need to stay in hospital?

If we can pre-authorise your treatment, we will send a pre-authorisation statement that will also act as your claim form (see Step 3 below).

### Step 3: Making a claim

Please read the 'Making a claim' section for full details of how to claim. Here are some guidelines and useful things to remember.

# ABOUT YOUR MEMBERSHIP

### What to send

**We** must receive a fully completed claim form and the original invoices for **your treatment**, within six months of the **treatment** date.

If this is not possible, please write to **us** with the details and **we** will see if an exception can be made.

### Your claim form

You must ensure that your claim form is fully completed by you and by your medical practitioner. The claim form is important because it gives us all the information that we need. Contacting you or your medical practitioner for more information can take time, and an incomplete claim form is the most common reason for delayed payments.

You can download a claim form from our MembersWorld website, or contact us to send you one. Remember that if your treatment is pre-authorised, your pre-authorisation statement will act as your claim form.

### How we make payments

Wherever possible, **we** will follow the instructions given to **us** in the payment section of the claim form:

- we can pay you or the hospital
- **we** can pay by cheque or by electronic transfer
- o we can pay in over 80 currencies

To carry out electronic transfers, **we** need to know the full bank name, address, SWIFT code and (in Europe only) the IBAN number of **your** bank account. **You** can give **us** this information on the claim form.

### Tracking a claim

**We** will process **your** claim as quickly as possible. **You** can easily check the progress of a claim **you** have made by logging on to **our** MembersWorld\* website.

### Confirmation of your claim

When **your** claim has been assessed and paid, **we** will send a statement to **you** to confirm when and how it was paid, and who received the payment. If **you** subscribe to **our** secure MembersWorld website, **you** can view **your** documents online, upload **your** claims and view **your** claims statement.

This booklet forms part of **you**, the **principal member's** contract with **us**, along with **your** application form and **your** membership certificate. This is an annual contract.

### The agreement between you and us

As a member of the Lifeline plan, you, the principal member have formed an agreement with Bupa International about your cover. Only you, the principal member and Bupa International have legal rights under this agreement.

This means that only **you**, the **principal member** and no other party may enforce the terms of this agreement, whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise. **We** will of course allow anyone who is covered under **you**, the **principal member's** membership complete access to **our** complaints and dispute resolution process.

The following must be read together as they set out the terms and conditions of **your** membership:

- you, the principal member's application for cover: this includes any quote request, applications for cover for you and your dependants (if any) and the declarations that you, the principal member made during the application process
- your rules and benefits in the 'How to use your plan' booklet and 'Table of benefits' booklet within your membership pack
- o **your** membership certificate

The full name of **your** insurer is shown on **your** membership certificate.

### When your cover starts

The start date of **your** membership is the 'effective from' date shown on **your** membership certificate.

# If you move to a new country or change your specified country of nationality

You, the principal member, must tell us straight away if your specified country of residence or your specified country of nationality changes. Your new country may have different regulations about health insurance. You, the principal member, need to tell us of any change so that we can make sure that you have the right cover.

<sup>\*</sup> MembersWorld may not track claims in the USA as **we** use a third party here.

# PRE-AUTHORISATION

This section contains rules and information about what pre-authorisation means and how it works.

### What pre-authorisation means

If we pre-authorise your treatment, this means that we will pay up to the limits of your plan provided that all of the following requirements are met:

- the treatment is eligible treatment that is covered by your plan
- you have an active membership at the time that treatment takes place
- o **your** subscriptions are paid up to date
- the treatment carried out matches the treatment authorised
- you have provided a full disclosure of the condition and treatment required
- you have enough benefit entitlement to cover the cost of the treatment
- your condition is not a pre-existing condition (see the 'What is not covered?' section in your 'Table of benefits' booklet)
- o the **treatment** is medically necessary
- the **treatment** takes place within 31 days after pre-authorisation is given

Note: from time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition** 

### Treatment we can pre-authorise

We can pre-authorise in-patient treatment and day-case treatment, cancer treatment and MRI, CT or PET scans.

### Direct settlement/pay and claim

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**. The alternative is for **you** to pay and then claim back the costs from **us**.

**We** aim to arrange direct settlement with them, wherever possible. Please note: as limits apply to **out-patient treatment we** cannot guarantee payment on any remaining outstanding claims that have not already been processed for the same membership period.

Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or clinic.

### Length of stay (in-patient treatment)

Your pre-authorisation will specify an approved length of stay for in-patient treatment. This is the number of nights in hospital that we will cover you for. If your treatment will take longer than this approved length of stay, then you or your consultant must contact us for an extension to the pre-authorisation.

### Treatment in the USA

All **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the USA must be pre-authorised. If **you** are going to receive any of these **treatments**, ask **your** medical provider to contact **Bupa International** for pre-authorisation. All the information they need is on **your** membership card.

We have made special arrangements if you need to have treatment or be hospitalised or visit a doctor in the USA. These include access to a select network of quality medical providers and direct settlement of all covered expenses when you receive treatment in a network hospital.

### Treatment which has not been preauthorised

If **you** choose not to get **your treatment** in the USA pre-authorised, **we** will only pay 50 percent towards the cost of covered **treatment**.

Of course we understand that there are times when you cannot get your treatment pre-authorised, such as in an emergency. If you are taken to hospital in an emergency, it is important that you arrange for the hospital to contact us within 48 hours of your admission. We can then make sure you are getting the right care, and in the right place. If you have been taken to a hospital which is not part of the network and, if it is the best thing for you, we will arrange for you to be moved to a network hospital to continue your treatment once you are stable.

If we have been notified within 48 hours of an emergency admission to hospital, we will not ask you to share the cost of your treatment.

### Out of network treatment

If your treatment in the USA has been pre-authorised, but you choose not to go to a network hospital, we will only pay 80 percent towards the cost of covered treatment.

There may be times when it is not possible for **you** to be treated at a **network hospital**. These include:

- where there is no **network hospital** within 30 miles of **your** address, and
- when the **treatment you** need is not available in the **network hospital**

In these cases, **we** will not ask **you** to share the cost of **your treatment**.

### Important rules

Please note that pre-authorisation is only valid if all the details of the authorised **treatment**, including dates and locations, match those of the **treatment** received. If there is a change in the **treatment** required, if **you** need to have further **treatment**, or if any other details change, then **you** or **your consultant** must contact **us** to pre-authorise this separately. **We** make **our** decision to approve **your treatment** based on the information given to **us**. **We** reserve the right to withdraw **our** decision if additional information is withheld or not given to **us** at the time the decision is being made.

# MAKING A CLAIM

At times of ill health, **you** want to concentrate on getting well. **We** will do everything **we** can to make **your** claim as simple and straightforward as possible.

### How to make a claim Claim forms

**Your** claim form is important as it gives **us** the information that **we** need to process **your** claim. If it is not fully completed **we** may have to ask for more information. This can delay payment of **your** claim.

**You** must complete a new claim form:

- for each member
- for each condition
- o for each in-patient or day-case stay, and
- o for each currency of claim

If a condition continues over six months, **we** will ask for a further claim form to be completed.

### What to send us

**You** need to return the completed form to **us** by post, with the original invoices, as soon as possible. This must be within six months of receiving the **treatment** for which **you** are claiming. Invoices sent to **us** after six months will not normally be paid.

### Requests for further information

**We** may need to ask **you** for further information to support **your** claim. If **we** do, **you** must provide this. Examples of things **we** might ask for include:

- medical reports and other information about the treatment for which you are claiming
- the results of any medical examination performed at our expense by an independent

medical practitioner appointed by us

 written confirmation from you as to whether you think you can recover the costs you are claiming from another person or insurance company

If you do not provide the information that we ask for, we may not pay your claim in full.

Please also read about correspondence in the '**Your** membership' section.

### **Important**

When making a claim please note:

- you must have received the treatment while covered under your membership
- payment of your claim will be under the terms of your membership and up to the benefit levels shown, that apply to you at the time you receive the treatment
- we will only pay for treatment costs actually incurred by you, not deposits or advance invoices or registration/administration fees charged by the provider of treatment
- we will only pay for treatment costs that are reasonable and customary
- we do not return original documents such as invoices or letters. However, we will be pleased to return copies if you ask us when you submit your claim.

### **False information**

If there is reasonable evidence that any person has misled **us** or attempted to mislead **us**, either at the time of joining or when making a claim, by:

- o giving false information
- o keeping necessary information from us, or
- working with another party to give false information either intentionally or carelessly and which may influence us in deciding:
- o whether **you** (or they) can join the plan
- what subscription has to be paid, or
- o whether **we** have to pay any claim.

We shall have the right, where appropriate and at our sole and absolute discretion to end your membership, including the membership of any additional people included in your plan and seek to recover any claim payments which have previously been made. We may refund any subscriptions you have paid which relate to a period after your membership ends. However, we are entitled to deduct money you may owe us from any refund. We may also refer the case for legal action and/or to law enforcement agencies.

We may alternatively:

- add new personal restrictions or exclusions to your cover, and/or
- o deny payment against any pending claims.

**We** will not add any personal restrictions or exclusions to **your** cover, for any disease, illness or injury that started after **you** joined the plan as long as **you**:

- gave us all the information we asked for before you joined, and
- have not applied to add any new options to your

### Confirmation of your claim

We will always send confirmation of how we have dealt with a claim. If applicable, for child dependants (those aged under 18 years), we will write to the principal member. If the claim is for treatment received by the principal member, or an adult dependant (those aged over 18 years), we will write directly to the individual concerned.

### How your claim will be paid

Wherever possible, **we** will follow the instructions given to **us** in the 'Payment details' section of the claim form.

### Who we will pay

**We** will only make payments to the member who received the **treatment**, the provider of the **treatment**, the **principal member** of the membership or the executor or administrator of the member's estate. **We** will not make payments to anyone else.

### Payment method and bank charges

**We** will make payment where possible by electronic transfer or by cheque. Payments made by electronic transfer are quick, secure and convenient. To receive payment by electronic transfer, **we** need the full bank account, SWIFT code, bank address details and (in Europe only) IBAN number to be provided on the claim form.

We will instruct our bank to recharge the administration fee relating to the cost of making the electronic transfer to us but we cannot guarantee that these charges will always be passed back for us to pay. In the event that your local bank makes a charge for a wire transfer we will aim to refund this as well. Any other bank charges or fees, such as for currency exchange, are your responsibility, unless they are charged as a result of our error.

Cheques are no longer valid if they are not cashed within 12 months. If **you** have an out-of-date cheque, please contact customer services, who will be happy to arrange a replacement.

### **Payment currency and conversions**

**We** can pay in the currency in which **you** pay **your** subscriptions, the currency of the invoices **you** send **us,** or the currency of **your** bank account.

**We** cannot pay **you** in any other currency.

Sometimes, the international banking regulations do not allow **us** to make a payment in the currency **you** 

have asked for. If so, **we** will send a payment in the currency of **your** subscriptions.

If **we** have to make a conversion from one currency to another **we** will use the exchange rate that applies on either the date on which the invoices were issued or the last date of the **treatment**, whichever is later.

The exchange rate used will be the average of the buying and selling rates across a wide range of quoted rates by the banks in London on the date in question. If the date is not a working day **we** will use the exchange rate that applies on the last working day before that date.

# Other claim information Discretionary payments

**We** may, in certain situations, make discretionary or 'ex gratia' payments towards **your treatment**. If **we** make any payment on this basis, this will still count towards the overall maximum amount **we** will pay under **your** membership. Making these payments does not oblige **us** to pay them in the future.

**We** do not have to pay for **treatment** that is not covered by **your** plan, even if **we** have paid an earlier claim for a similar or identical **treatment**.

### Overpayment of claims

If **we** overpay **you** for **your** claim, **we** reserve the right to deduct the overpaid amount from future claims or seek repayment from **you**.

# Claiming for treatment when others are responsible

You must complete the appropriate section of the claim form if you are claiming for treatment that is needed when someone else is at fault, for example in a road accident in which you are a victim. If so, you will need to take any reasonable steps we ask of you to assist us to:

- recover from the person at fault (such as through their insurance company) the cost of the treatment paid for by Bupa International, and
- o claim interest if you are entitled to do so

### **Note: Subrogation**

In certain circumstances, for example, if you are the victim of an accident, your insurer (or any person or company we nominate) will have the full 'right of subrogation'. This means that we can assume your right to recoup the cost of treatment(s) that we have paid from the person at fault (or their insurance company). In the event of any payment of any claim under your membership, we or any person or company that we nominate may therefore be subrogated to all your rights of recovery and of any person entitled to the benefits of your coverage. You will need to sign and deliver all documents or papers, and anything else that is required to secure these rights. You must not take any action which could damage or affect these rights.

### Claiming with joint or double insurance

You must complete the appropriate section on the claim form, if you have any other insurance cover for the cost of the **treatment** or benefits you have claimed from us. If you do have other insurance cover, this must be disclosed to us when claiming, and we will only pay our share of the cost of the **treatment** or benefits claimed

# **ASSISTANCE COVER**

### (optional if purchased)

This section contains the rules and information for Assistance cover, an optional benefit which helps **you** if **you** need to travel to get the **treatment** that **you** need.

Note: there are two levels of Assistance cover: Evacuation and Repatriation. **Your** membership certificate will show if **you** have Evacuation or Repatriation but **you** can visit the MembersWorld website or contact the customer services helpline if **you** are unsure.

### What is Assistance cover?

The Evacuation and Repatriation options both cover you for reasonable transport costs to the nearest appropriate place of treatment where the treatment that you need is available, if it is not available locally. Repatriation also gives you the option of returning to your specified country of nationality or your specified country of residence.

**We** may not be able to arrange Evacuation or Repatriation in cases where the local situation makes it impossible, unreasonably dangerous or impractical to enter the area; for example from an oil rig or within a war zone.

### Assistance cover-general rules

The following rules apply to both the Evacuation and Repatriation levels of cover:

- you must contact our appointed representatives for confirmation before you travel, on +44 (0) 1273 333 911
- our appointed representatives must agree the arrangements with you
- Assistance cover is applicable for in-patient treatment and day-case treatment only

- the treatment must be recommended by your consultant or family doctor and, for medical reasons, not available locally
- o the **treatment** must be eligible under **your** plan
- you must have cover for the country you are being treated in, for example the USA
- you must have the appropriate level of Assistance cover in place before you need the treatment

Evacuation or Repatriation will not be eligible if **you** were aware of the symptoms of **your** condition before applying for Assistance cover.

**We** will not approve a transfer which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your** case, when it is reasonable for **us** to do so. Evacuation or Repatriation will not be authorised if this would be against medical advice.

# How to arrange your Evacuation or Repatriation

Arrangements for Evacuation or Repatriation will be made by **our** appointed representatives and must be confirmed in advance by calling

+ 44 (0) 1273 333 911. **You** must provide **us** with any information or proof that **we** may reasonably ask **you** for to support **your** request. **We** will only pay if all arrangements are agreed in advance by **Bupa International's** appointed representatives.

# Evacuation cover: what we will pay for

   We do not pay for burial or cremation, the cost of burial caskets etc, or the transport costs for someone to collect or accompany your remains

Note: **we** do not pay for any other costs related to the evacuation such as hotel accommodation or taxis. Costs of any **treatment you** receive are not payable under Evacuation cover, but are payable from **your** medical cover as described in the 'What is covered?' section of **your** 'Table of benefits' booklet.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

# ANNUAL DEDUCTIBLES

Please read this section if you have an annual deductible on your plan.

# Repatriation cover: what we will pay for

If **you** have Repatriation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline. Repatriation cover also includes Evacuation cover — see above.

- We will pay for repatriation to your specified country of nationality or your specified country of residence.
- We will pay for one repatriation for each illness or injury per lifetime.

Costs of any **treatment you** receive are not payable under Repatriation cover, but are payable from **your** medical cover as described in the 'What is covered?' section of **your** 'Table of benefits' booklet.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

### Important - please remember that:

- the annual deductible applies separately to each person included on your membership
- as we may need to collect amounts from you by direct debit or credit card, you must have a valid direct debit agreement or credit card authority with us at all times. (We may suspend or terminate your cover if you do not have such an agreement or authority in place while you have an annual deductible on your plan)
- even if the amount you are claiming is less than the amount of the annual deductible, you should still submit a claim to us
- this is an annual deductible. Therefore, if
  your first claim is towards the end of your
  membership year, and treatment continues
  over your renewal date, the annual deductible
  is payable separately for treatment received in
  each membership year

### What is an annual deductible?

The **annual deductible** is the total value that **your** eligible claims must reach each **membership year** before **we** will start to pay any benefit.

For example, if **you** have an **annual deductible** of GBP 500, the total value of **your** eligible claims must reach GBP 500 before **we** will pay any benefit.

The **annual deductible** applies separately to each person on **your**, the **principal member's** membership.

The amount of **your annual deductible** will be shown on **your** membership certificate, which **you** can view online at **our** MembersWorld website. If **you** are unsure whether **your** cover includes an **annual deductible**, please contact **our** customer services helpline.

At any point **you** can check the amount of **your** remaining **annual deductible** by contacting **our** customer services helpline.

### How an annual deductible works

If a claim is smaller than **your** remaining **annual deductible**, **you** must still submit it to **us** as normal. **We** will not pay any benefit, but the claim will count towards reaching **your annual deductible**. **We** will send **you** a statement informing **you** how much is left.

If an eligible claim exceeds **your** remaining **annual deductible**, **we** will pay the amount of the claim less the remaining **annual deductible**.

Once **your annual deductible** is reached, **we** will pay all eligible claims in full, up to the benefit limits of **your** plan.

# PAYING SUBSCRIPTIONS AND OTHER CHARGES

### How claims are paid to you

If you submit a claim and have asked us to pay you:

- benefit will be paid less the amount of the annual deductible
- we will send you a statement showing how your claim has been settled, including any amounts set against the annual deductible

# How claims are paid direct to your medical provider

If **you** have asked **us** to make a payment direct to **your** medical provider:

- we will send payment to the provider for the full amount of the eligible claim, without deducting any annual deductible
- we will then collect any annual deductible from you using the direct debit mandate or credit card authority, depending on which is your usual method of payment
- we will also send you a statement showing the amount of the annual deductible that
   Bupa International will be collecting from your account

You are responsible for paying the **annual deductible** in all circumstances.

All references to 'you' and 'your' in this section refer to you, the **principal member** only, unless stated otherwise.

### **Paying subscriptions**

You have to pay subscriptions to us in advance for you and your dependants throughout your membership. The amount you have agreed to pay, and the method of payment you have chosen are shown on your invoice.

**Your** subscriptions must be paid in the currency of **your** contract, as shown on **your** invoice.

Your subscriptions should only be paid directly to Bupa International. If you pay your subscriptions to anyone else, such as an intermediary or insurance broker, then that person is acting on your behalf as your agent. Bupa International will not be responsible for any subscriptions paid to a third party.

If **you** are unable to pay **your** subscriptions for any reason please contact the customer services helpline.

### Paying other charges

In addition to paying subscriptions, there may be other charges that **you** also have to pay to **us**, depending on the laws of **your** residency country. These may include Insurance Premium Tax (IPT), or other taxes, levies or charges relating to **your** cover under the plan. If they apply to **you**, they will be included within the total that **you** have to pay on **your** invoice. The charges may apply from the 'effective date' of **your** membership or **your** annual **renewal date**. **You** must pay any such charges to **us** when **you** pay **your** subscriptions, unless otherwise required by law.

# If subscriptions and other charges are not paid

If **you** do not pay subscriptions and other charges in full by the date they are due, **you** and **your dependant's** membership may be suspended and claims submitted whilst there are subscriptions and charges due will not be paid.

You and your dependant's membership may also be suspended if you do not settle in full any annual deductible payable by you for a claim which has been paid direct to you and your dependant's medical provider. Claims submitted whilst repayment of an annual deductible is due will not be paid.

# YOUR MEMBERSHIP

This section contains the rules about **your** membership, including when it will start and end, renewing **your** plan, how **you**, the **principal member** can change **your** cover and general information.

# Changes to subscriptions and other charges

Each year on **your renewal date**, **we** may change how **we** calculate **your** subscriptions, how **we** determine the subscriptions, what **you** have to pay or the method of payment. Please note that subscriptions generally rise when **you** renew **your** cover. There are many factors which directly affect subscriptions, such as age or the country in which **you** are resident, and inflation in the worldwide cost of healthcare.

Any changes that **we** make will only apply from **your** renewal date.

The amount **you** have to pay to **us** in respect of IPT or other taxes, levies or charges, may also change at any time if there is a change in the rate, or if any new tax, levy or charge is introduced.

If we do make any changes to your subscriptions or to other charges, we will write to tell you about the changes. If you do not want to accept them, you can end your membership without the changes being introduced, provided that you do so:

- within 28 days of the date on which the changes take effect, or
- within 28 days of us telling you about the changes, whichever is later

Please remember that any bank administration charges or fees are **your** responsibility.

# Starting and renewing your membership

### When your cover starts

**Your** membership starts on the 'effective date' shown on the first membership certificate that **we** sent **you**, the **principal member** for **your** current continuous period of **Bupa International** Lifeline membership.

# When cover starts for others on your membership

If any other person is included as a **dependant** under **you**, the **principal member's** membership, their membership will start on the 'effective date' on the first membership certificate **we** sent **you**, the **principal member** for **you**, the **principal member's** current continuous period of **Bupa International** Lifeline membership which lists them as a **dependant**. Their membership can continue for as long as **you**, the **principal member** remain a member of the plan.

If you, the principal member's membership ceases, your dependants can then, of course, apply for membership in their own right.

### Renewing your membership

Your membership can be renewed automatically every year on your renewal date, subject to acceptance of our renewal terms and 'If we make changes' in this section, by continuing to pay your subscriptions and any other payments due under your agreement with us.

If you, the principal member do not wish to renew your membership, you must inform us in writing as soon as you receive your renewal documents and prior to your renewal date.

If we decide to discontinue your plan, you, the principal member may be offered membership of another Bupa International plan as an alternative. If you, the principal member transfer within one month, without a break in your cover, we will not add any special restrictions or exclusions to your cover under your new plan that are personal to you, other than those which apply to you under this plan.

Please read 'If **we** make changes' in this section.

# Ending your membership When your membership will end

**Your** membership will automatically end:

- o if you, the principal member do not pay any of your subscriptions on, or before, the date they are due. However, we may allow your membership to continue without you having to complete a new medical history, if you, the principal member pay the outstanding subscriptions in full within 30 days. If you, the principal member are unable to pay your subscriptions for any reason, please contact the customer service helpline
- if you, the principal member do not pay the amount of any IPT, taxes, levies or charges that

you have to pay under your agreement with us on or before the date they are due upon the death of the principal member. If the principal member dies the next named dependant on the membership certificate may apply to Bupa International to become a principal member of the plan in his or her own right and include the other dependants under their membership. If they apply to do this within 28 days, Bupa International will, at its discretion, not add any further special restrictions or exclusions to the dependant's cover that are personal to them in addition to those which applied to the dependant under the plan when the principal member died

# If you move to a new country or change your specified country of nationality

You, the principal member must tell us straight away if your specified country of residence or your specified country of nationality changes. We may need to end your membership if the change results in a breach of regulations governing the provision of healthcare cover to local nationals, residents or citizens.

The details of regulations vary from country to country and may change at any time. In some countries **we** have local partners who are licensed to provide insurance cover but which are administered by **Bupa International**. This means that customers experience the same quality **Bupa International** service.

If you change your specified country of residence to a country where we have a local partner, in most cases **you** will be able to transfer to **our** partner's insurance policy without further medical underwriting. **You** may also be entitled to retain **your** continuity of **Bupa International** membership; which means that for those benefits which aren't covered until **you** have been a member for a certain period, the time **you** were a member with **us** will count towards that. Please note that if **you** request a transfer to a local partner, **we** will have to share **your** personal information and medical history with the local partner.

If you change your specified country of residence or your specified country of nationality, please call the **Bupa International** customer services helpline so **we** can confirm if **your Bupa International** membership is affected, and, if so, whether **we** can offer **you** a transfer service

### Important - please read

**We** can end a person's membership and that of all the other people listed on the membership certificate if there is reasonable evidence that any person concerned has misled, or attempted to mislead **us**. By this, **we** mean giving false information or keeping necessary information from **us**, or working with another party to give **us** false information, either intentionally or carelessly, which may influence **us** when deciding:

- o whether **you** (or they) can join the plan
- what subscriptions you, the principal member have to pay
- o whether **we** have to pay any claim

### How to end your membership

You, the principal member can end your membership, or that of any of your dependants, from the first day of a month by writing to us.
You, the principal member cannot backdate the cancellation of your membership.

### Your right to cancel

You, the principal member may cancel your membership of the plan for any reason by writing to us within 28 days of receiving your first membership certificate. In that case you, the principal member will be entitled to a full refund of all subscriptions paid, subject to no claims having been made.

You, the **principal member** may also cancel the membership of any of **your dependants** for any reason by contacting **us** within 28 days of receiving **your** first membership certificate that names them as a **dependant**.

In that case **you**, the **principal member** will be entitled to a full refund of all **your** subscriptions paid relating to them, subject to no claims having been made on their behalf.

### **Refunding subscriptions**

If your membership ends for any reason, we will refund any subscriptions you, the principal member have paid which relate to a period after it ends. However, we shall not be obliged to refund any subscriptions paid by you during the term of your cover if we have paid any claims made by you or a dependant, whether you are at fault or not, during the current period of cover.

Please read 'Claiming for **treatment** when others are responsible' in the 'Making a claim' section.

### Death

Upon death of a **principal member** or a **dependant we** should be notified in writing within 28 days. Their membership will be ended and **we** will refund any subscriptions paid which relate to a period after it ends if no claims have been filed on their behalf.

### Making changes to your cover

You, the **principal member's** contract is an annual one, and **you** can therefore only change **your** level of cover from **your renewal date**.

### Changing your level of cover

If **you**, the **principal member** want to change **your** level of cover, please contact the customer service helpline before renewal to discuss **your** options.

If you, the principal member want to increase your level of cover we may ask you to complete a medical history questionnaire form, and/or to agree to certain exclusions or restrictions to your cover before we accept your application.

If **you**, the **principal member** have any concerns about **your** subscriptions, or if **your** circumstances have changed, please contact **us** so that **we** can try to help.

### Adding dependants

You, the principal member may apply to include your dependants under your membership providing you fill in an Adding Members form. Newborn children can only be included on your membership from their date of birth on completion of an Adding Members form, provided:

- you have completed an Adding Members form and we have received it before your child is 90 days old
- at least one parent has been covered on this membership for 10 months or more prior to the child's birth, and

- the child has not been born as a result of assisted reproduction technologies, ovulation induction treatment, adopted or born to a surrogate or
- the child is not being enrolled on their own membership

If a newborn child is not eligible to be included from birth, you can apply to cover them from the 91st day and they may be underwritten.

Newborn children who have been born as a result of assisted reproduction technologies, ovulation induction treatment, adopted or born to a surrogate or being enrolled on their own membership can be included from their 91st day on completion of an Additional Members or Application form.

The medical history for any newborn children **you** apply to include on **your** membership will be reviewed by **our** medical underwriters. This may result in special restrictions or exclusions which will apply from the child's 91st day of life, or **we** may decline to offer cover.

This also applies to newborn children who have been born as a result of **assisted reproduction technologies**, **ovulation induction treatment**, adopted or born to a surrogate or being enrolled on their own membership who can be included from their 91st day on completion of an Additional Members or Application form.

Please read 'Maternity' and 'Newborn care' benefits in **your** 'Table of benefits' booklet.

Please read 'Amending **your** membership certificate' in this section.

### If we make changes

**We** may change the benefits and rules of **your** membership on **your renewal date**.

These changes could affect, for example:

- how much you, the principal member's subscriptions will be
- how often you, the principal member have to pay them
- o the cover **vou** receive

Please read 'Paying subscriptions' in the 'Paying subscriptions and other charges' section.

Any changes **we** make will only apply from **your renewal date**, regardless of when the change is made.

**We** will not add any personal restrictions or exclusions to someone's cover for medical conditions that started after they joined the plan, provided:

- they gave us the information we asked them for before joining, and
- they have not applied for an increase in their cover

If we do make any changes to your plan, we will write to tell you, the principal member about the changes. If you, the principal member do not want to accept them, you can end your membership without the changes being introduced, provided that you do so:

- within 28 days of the date on which the changes take effect, or
- within 28 days of us telling you about the changes, whichever is later

### Amending your membership certificate

We will send you, the principal member a new membership certificate if we need to record any changes which you have requested, or we are entitled to make; for example adding a dependant, or changing the way you pay your subscriptions.

**Your** new membership certificate will replace any earlier version **you** possess as from the issue date shown on the new membership certificate.

# IMPORTANT MEMBERSHIP DOCUMENTS

The 'How to use **your** plan' and 'Table of benefits' booklets must be read alongside **your** membership certificate and **your** application for cover, as together they set out the terms and conditions of **your** membership and form **your** plan documentation.

### HOW TO USE YOUR PLAN

This booklet explains how to use **your** plan, including; how to make a claim and other important membership information.

### TABLE OF BENEFITS

This booklet talks about your cover in full detail, including; what is covered what is not covered and details of USA cover (if applicable).

### QUICK REFERENCE GUIDE

This booklet contains a summary of all **your** important contact information; the sort of information **you** are likely to use on a regular basis.

- 7 Your plan summary
- 8 Table of benefits
- 24 What is not covered?

# WHAT IS COVERED?

Please read this important information about the kind of costs that we cover.

### Treatment that we cover

For **us** to cover any **treatment** that **you** receive, it must satisfy all of the following requirements:

- it is at least consistent with generally accepted standards of medical practice in the country in which **treatment** is being received
- it is clinically appropriate in terms of type, duration, location and frequency, and
- it is covered under the terms and conditions of the plan

We will not pay for **treatment** which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your treatment**, when it is reasonable for **us** to do so.

### **Active treatment**

This plan covers **you** for the costs of **active treatment** only. By this **we** mean **treatment** of a disease, illness or injury that leads to **your** recovery, conservation of **your** condition or to restore **you** to **your** previous state of health as quickly as possible.

Note: please see 'Wellness' in the table of benefits and 'Preventive and wellness **treatment**' in the 'What is not covered?' section for information on preventive **treatment**.

### Reasonable and customary charges

**We** will pay for reasonable and customary costs. This means that the costs charged by **your treatment** provider should not be more than they would normally charge and be representative of charges by other **treatment** providers in the same area\*.

### Table of benefits

The table of benefits shows the benefits, limits and the detailed rules that apply to **your** plan. **You** also need to read the 'What is not covered?' section so that **you** understand the exclusions on **your** plan.

### **Benefit limits**

There are two kinds of benefit limits shown in this table. The 'overall annual maximum' is the maximum we will pay for all benefits in total for each person, each membership year. Some benefits also have a limit applied to them separately; for example home nursing.

All benefit limits apply per member. If a benefit limit also applies per **membership year**, this means that once a benefit limit has been reached, that benefit will no longer be available until **you**, the **principal member** renew **your** plan and start a new **membership year**.

<sup>\*</sup> Guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure) may be published by a government or official medical body. In such cases, or where published insurance industry standards exist, **we** may refer to these when assessing and paying claims. Charges in excess of published guidelines or reasonable and customary costs may not be paid.

If a benefit limit applies for the whole of **your** membership, once this benefit limit has been reached, no further benefits will be paid, regardless of the renewal of **your** plan.

### **Currencies**

All the benefit limits in this table of benefits and notes are set out in three currencies: GBP, USD and EUR. The currency in which **you**, the **principal member** pay **us your** subscription is the currency that applies to **your** membership for the purpose of the benefit limits.

For example, if **you**, the **principal member** pay **your** subscriptions in GBP then the benefit limits given in GBP apply to **your** membership and USD and EUR limits do not apply to **you**.

If you are unsure which level of cover you have, the currency that applies to your membership, or whether you, the principal member have an annual deductible, you can either check on your membership certificate, through our MembersWorld website or contact the customer services helpline.
